

Greater Georgia Concrete Safety Mission Statement

At Greater Georgia Concrete the safety of our TEAM is our Highest Priority. Ensuring a safe, healthy work place free from workplace hazards is our standard. Our approach to achieve this standard is simple, POUR. We as a team will achieve success by exemplifying

Professionalism, steadfast Organizational accountability, UNYIELDING attention to detail, and acting as Responsible stewards of the Environment.

Management Commitment: Management is responsible and accountable for preventing workplace incidents, injuries and illnesses. Management will provide top-level support of safety program initiatives. Management welcomes all employee input for achieving a safer, healthier workplace. Management will have the expectation that everyone will strive for an injury free work place.

Supervision Commitment: Supervisors are responsible for supervising and training workers in safe work practices. Supervisors will and must enforce company safety rules and work to eliminate hazardous conditions. Supervisors shall lead safety efforts by example.

Employee Commitment: All employees are expected and encouraged to participate in safety and health program activities including the following: reporting hazards, unsafe work practices and accidents immediately to their supervisors or a safety committee representative; wearing required personal protective equipment; and participating in and supporting safety committee activities
